Motion to Deny Substitute

Given all the support Mr. William Greer and Mr. Mark D. Kuehndorf has at their disposal, I request that their untimely filing not be accepted and their statement be removed due to untimely filing.

Reason for this request:

With more than 500 computers at their disposal in the hospital and the time given to respond, using the network as an excuse is unacceptable. Mr. William Greer and Mr. Mark D. Kuehndorf also had another 500 computer in the administration building next door.

I find it hard to believe that they were having network problems on both networks, which are totally independent of each other, that didn't allow them to sign and send their documents.

Mr. William Greer and Mr. Mark D. Kuehndorf also had the ability to drive less than 5 miles to the attorney's office and sign their documents.

This has become a pattern with the internal agency not filing their documents in a timely manner, even doing the EEOC process.

Mr. Larry D. Thomas pro se, has taken time off work to file documents, and attend a deposition. The excuse being given by Mr. William Greer and Mr. Mark D Kuehndorf is unacceptable and untimely.

I respectfully request that the United States Middle District Court of the State of Alabama deny the substitute filing.
